

LEADERSHIP BOOT CAMP

2

Master Six Core
Leadership Skills

LBC2

This hands-on workshop is part two of our popular Leadership Boot Camp Series. It focuses on helping you master six core leadership skills.

Your learning will begin before the actual workshop and will continue long after the workshop is over. You will receive a full complement of practical tools and templates that you can immediately apply on the job.

LEADERSHIP BOOT CAMP 2

Master Six Core Leadership Skills

You Will Learn How To:

1. Assess your own proficiency in six core skill areas.
2. Apply and master six core leadership skills within the context of your actual job.
3. Achieve measurable results in key areas.

Measured Results:

With the right tools, workplace leaders enhance the organization's ability to produce desired results.

The return is very measurable. What would a 20% increase mean to your team in the following areas?

- Safety
- Quality
- Production
- Cost Savings
- Morale
